Welcome to my  
birthday party!  
Actually it was  
yesterday. The  
big five-oh!

Today I get my  
birthday present,  
Keni. He flew in  
all the way from  
NYC just to be  
with me today.

We were best  
of friends , and  
lovers for many  
years before he  
had to move for  
his job.

# Sadie

I missed him and  
it took no time for  
us to get naked  
and by the time  
he dropped his  
bags on the floor,

I had his zip-  
per down and  
his cock in my  
mouth. Welcome  
back Keni and  
happy birthday  
to me!

We ladies know that most of you guys are more than happy if you get a birthday fuck. Other than that, you're not too demanding. But don't be surprised if we ladies want that too, especially as we get older. We have the jewelry, the house, the car. It's sex that we don't get as often as we want, and we want it. For me, there's no better present than a big, stiff cock I can suck and fuck.

I knew I had to make Brandi stay after school today. She had been acting up in class and I had to stop it. I tried different ways and none worked. So today, I'm taking a less traditional approach. Lingerie and sex.

# Rebecca & Brandi

After class ended, I told Brandi she had to stay.

Then I stripped down to my special little black outfit and made her do the same.

The lab tables were cold but we quickly warmed them up. Turns out Brandi was a quick learner.

What I didn't know was how well-versed in sex Brandi was. And with another woman. Oh yeah, I imagine all these girls in class had been doing boys, but found her willingness and ability to lick my pussy refreshing and I let her go at it. She did quite well, knowing exactly what to do with her tongue and fingers. She actually taught me a thing or two!

## To the Editor;

I live in an age restricted community in Tempe. I live alone in a two story townhouse. Been there a couple years and have gotten to know a couple of my neighbors pretty well. It's pretty non-eventful and usually pretty quiet.

From my second story bedroom, I can see into my neighbor's house. They rarely keep their window shades closed and they really like to put on a show, and I get to watch. Yardley fancies himself a lady killer and always seems to have female company and they spend a lot of time naked. Some are older, some are younger, but all are happy to have sex with him.

One day I'm watching and he has two females over and they're going at it. I grab my binoculars and settle back to watch the action. One lady, I'll call her Sally, grabbed a huge dildo and a second smaller dildo and positioned herself facing the other two so she could

## Cheyenne, looking good even today!

I'm writing to you guys about your cover model, Cheyenne. I worked in the same office with her for about two years. Of course, Cheyenne was not her name back then. Anyway, she was probably in her early to mid thirties back then and she was stunningly beautiful back then. She was always tanned, long brown hair, but I think she went through a blonde phase for a while. She was a little smaller chested and natural. Even though now she has fake boobies, they still look great and she picked just the right size. Did I hook up with her? A gentleman never tells, but I'm no gentleman. I did but she may not remember. We were at an office party, pretty drunk and Sam, an office mate, and I got served up the sloppiest and best blow jobs in a corner of the hotel's kitchen. Thanks again, Chey.

— Al, Dallas

watch Yardley fuck... I'll call her Molly. Yardley was inside Molly with her legs over the arms of a chair fucking her pussy. I was a little bored after five minutes of this and about to leave when Sally goes over to them, and my curiosity caused me to stop and watch.

Sally gets behind the two of them and squats. She shoves a dildo up each one's ass. The big one for Molly and the smaller for Yardley. She leaned over them and began to fuck them with the dildos. Yardley increased the speed of his thrusts into Sally as Molly increased her dildo thrusts.

Sally began to buck and scream and Yardley convulsed with pleasure. The three together made a scene of thrashing arms, legs and bodies as Molly's actions take the two fuckers over the top. A few minutes later Molly takes the dildos out of their asses and throws them on the ground.

I wank off to the scene as I have to many other's

over there. He really knows how to put on a show. Not being ready to finish with them, I have to retreat to the bathroom again, but I'd like to officially thank Yardley. Looking forward to the next time.

– Donald, Tempe, AZ

### ***Dear Editors,***

I've been with my current hubby, Rudy, my current husband, and I have been together for almost twenty years, happily married, no kids, and for the first fifteen of those years of marriage enjoyed some fairly conventional sex. During the last year we talked more and more freely about it and realized that we both had fantasies that we weren't sharing with each other.

We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe at first, and if that went well, we'd ramp up the excitement level and make our love lives more interesting and fulfilling.

The other night we went out to dinner at a nice Italian restaurant. Before that, Rudy asked, then

politely demanded, that I put on a short, tight skirt, boots and a sweater. The sweater was the type that most women would wear with a cami or undershirt. It gets cold in Cleveland in November, but the air was refreshing on my bare nipples that were poking through the holes in the sweater.

We warmed up at the restaurant and enjoyed our dinner, but about half way through our meal I saw his face change. He looked at me like he wanted me, no needed me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him right there at the

table. We were in the back of the restaurant but it wasn't that big. The bar area was opposite me and as I lifted my sweater, the bartender definitely saw me do it but I didn't see if anyone else had. The guy smiled at me.

Momentarily, I felt like a slut, but looking into his eyes, I didn't care. His look told me that I was his slut, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my nipples so they were harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing us the check.

She was a cute brunette with big brown eyes and a big, round ass just like mine. Rudy likes big asses and said that was one reason he married me. I found myself attracted to the waitress and stroked my nipples while holding her gaze.

If she didn't look scared, I was going to invite her home with us. When she handed my husband the bill, she avoided looking directly at me. Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and he was clearly ready to go. When we stood up, I went to adjust my skirt, and he asked me to stop.

We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks and my nipples were still hard and pushing through my sweater. I love when he takes control. I never know what he's going to do next, or tell me what to do next and the anticipation makes me so wet.

As we were walking to the car, millions of possibilities ran through my mind but I was not prepared

for his next comment. We were parked in a parking garage on the first level. From the car you could see the entrance to the parking garage, office building windows and the street. He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his hard cock. I have come to love sucking my husband's dick. It's sensing his body react, feeling his cock push harder and harder against the back of my throat.

He loves to fuck my mouth and he did it then. And for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands on the car. When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he fucks me from the back, because I can feel his cock all the way up to my stomach.

My naked ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me bent over by my

gorgeous husband turned me on even more.

I started to moan. He was screwing me so nice that I came all over him right as the car went by. My husband started to fuck me even harder, pinching my nipples. This went on for a few more minutes, and as I felt another orgasm building with in me. I couldn't hold it off anymore.

I wanted him to let me cum again. As usual, we timed it perfectly as I felt my body explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I

was so spent by the end of it that he had to pick me up and put me into the car seat.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from rubbing it that it almost hurt to play with it – but that kind of pain makes me so wet; to the point where it runs down my leg in long thin streams.

The whole time he's pulled his cock out and is rubbing it with one hand and taking a video of me with his cell phone in the other as I'm rubbing myself. He said he was ready

to cum and I quickly fell to my knees and took it all in my mouth and swallowed. I stood back up, pulled my skirt back up, and went back to flicking my clit as I licked up the rest of his cum off my chin.

Suddenly, the elevator stopped on the tenth floor and a young well-dressed couple walked into the elevator while I was still rubbing myself, but I didn't stop. They watched intently as my fingers disappeared into my pussy and made a sexy sloshing noise that turned everybody on.

Rudy didn't even have to tell me to keep going, and they surely didn't mind watching. When we reached our floor, I exited the elevator and pulled my skirt all the way off and ran down the hallway to our room with my ass bouncing in the air. Rudy was right behind me!

A blonde woman with black-rimmed glasses is smiling and posing topless. She has large, prominent breasts and is looking directly at the camera. The background is a plain, light-colored wall.

I hear that men love women in glasses, and for me I have no choice. I'm blind as a bat without them. But they are also a guy magnet. I think I have over a dozen pair so I can always wear some that match my mood.

# Victoria

Of course, having beautiful large boobs helps get the guys, too! But most of all, it's my ability to get guys off that's my speciality. I'm a woman of experience and men like to experience me!

I like to make my guy  
happy, but I just don't  
swallow. I did when  
I was thirty, but over  
time, I gagged more  
and more until I just  
stopped doing it. I  
think that guys really  
don't mind because if  
they can see their cum  
on my chest, that will  
make them happy.

Morgan and I have been good friends since our college days in the eighties. Afterwards we headed our separate ways but stayed in touch. About five years ago she moved to Southern California and we've been seeing more of each other. For the last year, we've been kinda having more fun with each other, if you know

## Darryl & Morgan

what I mean. Then she says, lets do it and have a photographer take some photos of us. She agreed and now we want to share them with you. BTW, there's a pretty hot video of us, too

I don't think I need to tell you  
how it went down because  
you can see for yourselves.  
But what you can't tell is how  
great she smelled. Even the  
photographer said so when  
he came in for close ups.  
She tasted like coconuts...  
her new favorite flavor.  
Yummylicious!

Tonight, I'm going to pour me a nice glass of wine, perhaps a burgundy, and kick back by the fire with it, and Harvey. He's my not-so-invisible vibrating blue lover. My favorite toy when it's just me at home. I start out on the low setting and when I get a good tingle, I'll move it to medium, and when I'm ready to cum,

# Wanda

I'll crank Harvey up to high and let myself go. Can you hear the buzz?

I bet your wonderiing whY I call it Harvey and not Buzz or something more like that?  
Well, can you see those rabbit ears? I love them. They vibrate around my clit and  
help intensify the feeling. Ah, there's nothjing like a good glass of wine, and Harvey.

*I scared the postman today by showing up to the door completely naked. I'm not sure what scared him more, the fact that I was naked or the angry barking dog between my legs.*

## I was expecting a big package, and I got one special delivery

IT WAS COLD AND SNOWY AND THE MAILMAN WAS DELIVERING

I was 35 years old and living in Carmel at the time. That was twenty years ago. The atmosphere was just what I needed then and I was out enjoying it every day. The homey atmosphere and the friendliness of the people made it an enjoyable place to live. I moved there about five years earlier with my husband at the time, and decided to engage myself with the local community. I got to know my butcher, Richie, down the block; the hairdresser, Sydnie, I saw every couple weeks; and the mailman, Charlie, whom I saw almost every day. Now that I'm writing this I noticed everyone's first name ended in ...ie. But I digress.

I loved to sit on my porch sipping my morning brew and look out onto the great Pacific.

Charlie would come up the couple steps and put his one foot on the top one and we'd talk about everything. He liked to be called C.D. The D was for Drake. Even when I didn't have mail he'd walk by on his route and wave or if he had a few minutes, he'd stand at the fence and we'd chat across the yard. I just loved his accent and often teased him about it. In return he'd tease me about my transplanted Texas accent and

we'd laugh and laugh. C.D. could have been a poster guy for the post office.

He was fit, from all the walking, friendly from all the talking, and delivered – rain, sleet or snow. His uniform was always neatly pressed and creased. No wife,

he said – did it all himself. For thirty years. He looked over fifty but I never asked him his age. He's about six foot tall, beautiful salt and pepper hair (mostly salt) and he sported a tightly trimmed white goatee. I found him quite handsome. I actually looked forward to seeing him and the goodies he would have in his bag for me.

It was a bit cold with light snow this morn-

ing – that Tuesday – a couple weeks before Christmas. I watched from the door window as C.D. approached the gate. I was expecting a package from Amazon. A gift for my sister's daughter. I saw a big box in his arms and he struggled to see around it. He made it to the porch and I opened the door at that moment so he could bring it inside. He put it on the foyer table and shook some snow off himself. I could see he was

*I dove back onto his cock and started to work it again. He was thrusting his hips the whole time, getting faster and faster, often pulling out and hitting his dick on my face.*

cold and his ears were crimson red. I told him I made some hot chocolate for him and thought it best if he took a minute to warm up. He agreed and we sat at the kitchen table talking about the weather and the upcoming holiday.

I noticed his gaze would occasionally drop to my chest and hadn't realized that my boobs were kinda exposed because my robe kept loosening with my arm movements. But C.D. had noticed. He looked up and smiled, "Excuse me for sayin' but those look very pretty." he said as he brought the cocoa cup to his lips. I was embarrassed and quickly closed the robe. "Oh, that's nothing to be shy about." he added. I smiled back and released the grip on my robe. This may sound silly, but just then our eyes met and we each instantly knew.

I dropped the robe from my shoulders, stood up and took a couple steps over to him and pulled his head into my chest. Right there where he sat. I got close and noticed the bulge in his pants. I felt his warm mouth and tongue caressing my nipple and his strong hands under my robe squeezing my butt cheeks as he pulled me into him. Without thinking, my hands dropped into his lap and found his hardness through the pale blue uniform. I squeezed and tugged at it with one hand while the other unzipped his pants.

"I hope this was what you wanted. Now let's see what you can do with it." he said. I dropped my robe to the floor. I stood there completely naked. I pulled him to stand up and undid his belt, dropping his pants and boxers down to his feet. I lowered to my knees as his cock and balls fell out right in front of my face. I could tell he had a nice cock, and a nice set of balls. His cock was uncut and thick, his balls full and round. I was a little surprised to see his pubic hair trimmed and quite short. I immediately grabbed his cock, tightened my grip around it and give it a little tug. I looked up and saw him looking down at me.

I opened my mouth and pulled his cock inside it. I

slid the whole thing in. I pulled it out and started to work his cock harder and harder. He unbuttoned his shirt dropped his shirt to the floor and stepped out of his shoes and trousers. His cock was now fully erect –

about eight inches long, I would say, and a nice thickness to it. He grabbed my hair and said "I have always wanted you since you moved in here, and I can't wait to have you. Get my dick all hard and wet for me."

I dove back onto his cock and started to work it again. He was thrusting his hips the whole time, getting faster and faster, often pulling out and hitting his dick on my face. After ten minutes of hard sucking, he pulled out and said, "Get on all fours on the sofa. I want to taste your wet pussy right now."

I walked out to the living room as he followed and bent myself over the sofa. I lowered my head down, exposing my ass even more. C.D. gave my ass a hard smack before diving into my pussy like a hungry dog. He was tonguing it really deep and then I felt a finger slide in as he sucked on my clit. He added a second finger and began to work my hole hard, every now and then slapping my cheek with his other hand. He pulled out his fingers and I felt the tip of his penis on my hole and felt him push. He slid in slowly at first inch by inch until he was balls deep in me. I let out a moan. He eased out

*he pushed me off him and placed me on my back, he pulled my legs up high so they were on my shoulders and my ass was in the air with my back leaning on the sofa.*

---

and back in again a couple more times. After a couple minutes he rammed his cock really hard into me and I screamed. That seemed to make him go faster as he started fucking me hard and fast – just pounding it. This went on for a couple more minutes before he rammed it back in again and continued to fuck me, pulling out every couple minutes.

After what seemed like forever, he pulled out and sat on the arm chair. I got up but my legs were like jelly. I got on my knees in front of him and took his cock in my hand and dived on it, sucking and licking like my

life depended on it. He was moaning loud and pushing my head down onto his prick. He said, "How about climbing up here and going for a ride." I didn't need to be asked twice so I climbed up and straddled my legs either side of him facing away from him.

I grabbed his cock from underneath and guided it into my soaking wet hole and lowered myself onto it. He let out a low moan as I started to ride and rock on his cock. I was riding it hard and fast as he reached around and started rubbing my clit. I started to tighten as I was going to cum and he felt this. He stopped and said, "You are not going to cum yet!" With that

he pushed me off him and placed me on my back, he pulled my legs up high so they were on my shoulders and my ass was in the air with my back leaning on the sofa. He dipped his cock right into my pussy and started to push it in and then pull it out.

I started to cum, moaning as he was fucking me deep. I came with a rush of flowing juices. I licked my lips and smiled as he pulled out and brought his cock down to let me suck it. I cleaned him up as he poked at my ass with his fingers, "I'm almost there. Lie on your back on the floor." I slid off the chair and into position and he came over pulled up my legs to his chest and slid his fat cock into my gaping hole. He started to fuck hard and fast and very deep. I kept moaning loud but that only seemed to encourage him.

After about five minutes, he pulled out. "I'm gonna cum, open wide." He came around to where my face was and started to stroke his hard cock, feeding me his balls to lick and suck. He started to moan louder, I turned my head to catch his cum. As I did, a big shot of cum sprang out and hit my open mouth, and with that he shoved his cock deep in my mouth as he moaned loud and yelled out. I sucked him deep, I could feel shot after shot hitting me deep in my throat.

He started to soften a little as I sucked and cleaned him off swallowing and savoring every drop. He pulled out and leaned over and gave me a peck on the forehead. "Ahhhhh, that's just what was needed on a day like today." he said.

I lay there smiling and panting. He stood up and started to get dressed as I pulled on my robe. We exchanged some small chat as he said, "I better get on with the morning – got more letters to deliver." He smiled and said "I finish at three. I'll be back here at four. Be ready for more. Ok?" With that he headed out the door. I closed it behind him. I couldn't believe what had just happened. Now I had until four to clean up and get myself ready for his next delivery.

I'm a little embarrassed to tell you all that I fooled around with a twenty-something girl. It's not my usual flavor but when Kiera started flirting with me, at least I thought she was, at the department store. She was so sweet and patient finding me the right pair of shoes. I was there for almost an hour, even if I found the right shoes after only half an hour.

## Kiera & Maple Lee

I waited for her after the store closed and we went for a drink at the wine bar around the corner. We talked and laughed until midnight.

We didn't get together that night but the next weekend we did. Movies, dinner, drinks and bed. It was great. She was great, and I was pretty good too. We coupled a few times and it got better and better each time. You want to know the second best thing about her? She makes a great omelette!!!

It's very important that we're open minded. Life is too short and there are too many good things to be tasted. Like I thought that all there was to sex was oral and vaginal sex.

# Betty

But when I discovered my booty hole was as sensitive as it is, in a good way, my whole perspective on sex changed. And more for the better.

A blonde woman with long, wavy hair is lying on a red surface, performing oral sex on a man's penis. She is wearing a black lace corset and black stockings. She has a ring on her finger and a necklace. The man's hand is visible on her hip. The background is a red surface.

Everyone needs a good  
pounding every once in  
awhile, and I like mine  
to be during anal sex.  
It's something I've only  
been doing for a few  
years, and only in pri-  
vate until a few months  
ago. Now it's an inti-  
mate part of my sex life,  
and I'm almost sorry  
I hadn't done it sooner.  
So, I've had a lot of  
catching up to do.
